Oh, I've been longing for this as long as I can
remember

For something like this to go my way
And it always felt so right
And then you take it all away

Tell me how will I fall in love like that again
When I'm still singing my way through tears in the
pouring rain
I'm still dreaming about those nights of ours together
See I thought I'd found a love I'd have forever

Now I'm hiding myself behind this shattered veil
And I know it's only me to blame
And I'm swimming through this ocean of grief
And I'm sailing up your way

Tell me how I'm missing you, yeah, like that again
I'm still sleeping, missing you, yeah, early in the
pouring rain
I'm still dreaming, missing you, yeah, it's our first
together
You see I thought I'd found the love I'd have forever

Missing you, missing you, missing you
Missing you, missing you, missing you
Missing you, missing you, missing you

And everything in this house has something to give
I can't escape even though I try
Photographs of memories
I never knew I had so many tears to cry
And I, yeah, die
(Die, die, die)
I never knew I had so many tears to cry

Tell me how I'm missing you, yeah, like that again
I'm still sleeping, missing you, yeah, early in the
pouring rain
I'm still dreaming, missing you, yeah, it's our first
together
You see I thought I'd found the love I'd have forever
