[music - Leon del Muerte and Sean McGrath]

[lyrics - Sean McGrath]

[solo: "De-Incarnated Mass of Fungal Strains " by S.C. McGrath]

Pulling the morbid stiffs  
From the damp, sepulchral tomb  
Harvesting the rotten  
My vocation, to exhume  
Methanous tissues removed  
With procedures so emetic  
A sordid conflagration  
Your corpse is quite pathetic

Dissecting body parts, disinhumed  
As my head starts to reel from the fumes

Consuming the cadaverous chyme  
Sopped up from the crypt  
I morbidly dissect  
As jellified muscles are ripped  
Oozing thoracic pulp  
Is thoroughly molested  
Engorged with cankerous phlegm  
I've left you quite congested

Grinding the dead into slaw

As formaldehyde drips from my maw  
Committing your remains to the mud  
Eternally, you'll rot  
You're only flesh and blood

Your remnants are boxed

[solo: "One Foot in the Grave" by S.C. McGrath]

Bones have been picked

[solo: "Distressed Fallopian Discharge Bottled and Sold" by L.d. Muerte]

Your carnage interred

[solo: "Uglinous Erosion of Necrocellular Proteins" by  
S.C. McGrath]

A botched, necrotic wreck

[solo: "Blood Bank Robbery and Singular Enjoyment of  
Booty" by L.d. Muerte]
