[music - Sean McGrath]

[lyrics - Ross Sewage]

A decrepit necropolis, abused and ignored  
Once hallowed monuments disintegrate with neglect  
Pillaged crypts littered with detritus on the floor  
This final resting place, a dillapidated wreck

As municipal funding began to ebb  
The caretaker's keep was left deserted  
Mausoleums suffering dust and cobwebs  
The lustre of stone epitaphs were bled... rest in  
faeces

Arboreal extremities left to grow unattended  
Rooted through loam, exfoliating excre-ducts  
Innundated with swill, bulging and distended  
Oxidised pipes, from a sodden womb, were plucked

A fusty cargo of human excreta  
Impacted pipes caused the flow to reverse  
Upon the cemetery, litres of diarrhoea  
As the leaden veins burst... rest in faeces

A tsunami of ordure saturated the hallowed soil  
Corpulent ballast disinterred coffins, amongst the  
manure, embroiled

As rectal mung flows  
Cadavers exposed  
Tombstones in pieces  
Resting in faeces  
Carcass and sewage

A copro-barrage  
It never ceases  
Resting in faeces

All manner of spilth were disgorged from the ground  
Corpses, awash in night soil, were from their peace  
unbound  
The torrent of cess eroded each memorial plaque

Incompetent care of the city of the dead has been  
brought to task

[solo: "Bring Out The Dead" by S.C. McGrath]

Enervated... concrete pillars crumbled  
Inculpated... supervision bumbled  
Conspurcated... overrun by ordure  
Festulated... such a nasty odour

Exhumed bodies floated in the stool  
The graveyard, an over-sized jardin  
This memorial park, run by a fool  
For the necropolis, this is the end

[solo: "A Teminal Case" by S.C. McGrath]

[solo: "The Horror..." by A.S. LaBarre]
