Bastard son didn't win
I summon to thee to come to me
To find the peace, harmony
Infernal, agony
Mayhemic devastation, unholy benediction
Controlled by his majesty
You'll suffer, eternally
Do you believe in agony ?
Only pain is...real!
"ÄfÄ,,ÄfÄxliÄfÄ¶t, ylistÄfÄxkÄfÄxÄfÄx saatanaa,
sillÄfÄx ainoastaan saatana on todellista !!!"

Bestial majesty rules the universe
Burning flames, holocaust
Charred souls, no return!!!
Spiritual prophecies turned into total shit
Messiah now vomiting as I masturbate on him
Do you believe in agony ?
Only pain is real!
Damned to fucking hell!!!
