Urgh!

Centuries ago,
Born of whore,
Jesus Christ,
Filthy homo,
Crucified fuck,
Millions follow,
Blinded mind,
Minds!

False Jehova, you will obey me,
I am your mighty lord, you will kneel before me!

I am Antichrist, poor bastard dies
As I take your life, see the burning skies
From hell I arise, by fire I rule,
Torment is the game, Antichrist my name, name!

False Jehova, will you marry me?
I am Antichrist, your new wife to be...

Urgh! Urgh! Urgh! Urgh!
