

Impaled Nazarene "Kuolema Kaikille"

Visit "[Kuolema Kaikille](#)" on MotoLyrics.com

Mina uskon tulivoimaan, mina uskon kuolemaan

Mina rukoilin ydinsotaa, ali-ihmisten kuolemaa

CHORUS:

Kuolema, kuolema, kuolema kaikille

Ei valoa tunnelin paassa, orjien on kuoltava

Milloin te huorat tajuatte etta ME OLEMME JUMALIA?

CHORUS

And the same in english (my own translation):

Death To All (Except Us)

I believe in firepower, I believe in death

I pray for nuclear war, the death of the inferior

CHORUS:

Death, death, death to all!

No light in the end of the tunnel, the slaves must die

When will you whores understand that WE ARE GODS?

CHORUS
