

Impaled Nazarene "Masterbator"

Masterbating with a gun
Vomit god and soul
Since the days of sodom the beast comes forth
Tonight?
Alright!
Masterbating with a gun
Vomit sin and flesh
Mysteries are revealed
Another step towards hell
Tonight?
Alright!
Vittu saatana perkele
Vittu saatana vittu
Vittu saatana perkele

Vittu mina olen vittu
Vittu saatana perkele
Vittu saatana vittu
Vittu saatana perkele
Vittu vitun vittu
Masterbating with a gun
Vomit fire and blood
The glory of god no more
Stand up and be a cunt
Tonight?
Alright!
