Rubber fetish
Latex fuck
PVC
Your skin is white as pure sin
Nun costumes
Bullwhips
Hoods and chains
Sperm and blood covers your face
Enter the dome of pleasure and pain
Feel the guilt
Repent and obey
Handcuffed on the wall
Piercings
See the blood now run
Brandings

Torture
Pillu
My hard-on for your agony
Enter the dome of pleasure and pain
Where bodies are twisted into a deadly play
Enter the dome of pleasure and pain
Where dreams come true
Reveal your inner beast
Enter the dome of pleasure and pain
Kneel before your master and obey
And when I say obey you will suck it!
