Jesus Christ, who is he?
Why do you believe such a shit?
Jesus Christ, who is he?
Why do you believe such a shit?

Aren't they the morbid tales?
Believers shall perish in flames

Jesus Christ, who is he?
Why do you believe such a shit?
Jesus Christ, he has died
No reason to believe in lies

Jesus Christ, who is he?
He is nothing but dead meat

Aren't they the morbid tales?
Believers shall perish in flames

I raped Christ, made him die
I am your God
The chosen fucking one
