Agonized, beaten up
This feeling ain't just giving up
Vomited up to twenty times
Coming back these fuck off times
chorus: This is vitutation, total vitutation
Fucking vitutation, beloved vitutation
And walls close in
This is vitutation, superb vitutation
Perkeleen vitutation, cursed vitutation
And walls close in
Waking up, shaking fuck
I feel I have been buttfucked
I look at the mirror and it screams

Go get fucked you fucking piece of shit
chorus: This is vitutation, fucking vitutation
Hyped up vitutation, warming vitutation
And walls close in
This is vitutation, saatanan vitutation
Vitun vitutation, grandious, vitutation
And walls close in
Ei helevetti!!!
