Synnyin tappamaan, aiheuttamaan tuhoa
Tuottamaan tuskaa, moderni messias
Kylvan kuolemaa, sadonkorjuun aika
Raiskaan ja kidutan, moderni messias
CHORUS:

Haudattuani teidat vedin kateen ja huusin etta olen
jumala!

Lopunalku lahenee, viikatteeni heiluu
Paita putoilee ja sperma haisee

CHORUS

And the same in english (my own translation):

Pissed To The Utter Maximum

I was born to kill, to cause destruction

To cause pain, modern messiah
I spread death, time for the harvest
I rape and torture, modern messiah

CHORUS:

After I buried you I jerked myself off and shouted that I
am a god!

The beginning of the end draws near, my scythe
swings

Heads are falling and sperm smells

CHORUS
