Out in the heavenly realms is where it all begins
Unseen and out of sight, the spirit world within
The battle rages on, the war behind the scenes
It's not your flesh and blood, but the powers in between

In the shadows of the night
You're caught between darkness and light
In the shadows of your mind
You choose between wrong and the right

Kingdom fighter
Fighting the powers of the world
Kingdom fighter
Ready to stand your ground
Kingdom fighter
Take the promise of the word
Kingdom fighter
Let your love shine on

You see the sorcery, consulting with the dead
You read the horoscope and swear your palms read
You cast your wicked spells, your dreams are divine
Your tarot cards will tell the future of the blind

In the shadows of the night
Your caught between dark and the light
In the windows of your soul
You choose between heaven and hell

Kingdom fighter
Fighting the powers of the world
Kingdom fighter
Ready to stand your ground
Kingdom fighter
Take the promise of the word
Kingdom fighter
Let your love shine on, yeah!

Kingdom fighter
Fighting the powers of the world
Kingdom fighter

Ready to stand your ground
Kingdom fighter
Take the promise of the word
Kingdom fighter
Let your love shine on

Kingdom fighter
Fighting the powers of the world
Kingdom fighter
Ready to stand your ground
Kingdom fighter
Take the promise of the word
Kingdom fighter
Let your love shine on through the night, yeah!
