I could see the city lights
then they turned to black
then I heard a sirens crying sounding out ATTACK!
I could see the rockets glare
shooting in the night
everyone was praying for their lives

am I dreaming
I don't believe it
am I wrong or right
then I heard a voice say in the night

I'm a warrior, take my hand!
let me lead you to the promised land
I'm a warrior, take my hand!
I'm a soldier under his command

then I saw this blinding light
I heard a sonic boom
I could feel the earth shake in the doom

I couldn't see him
but I could feel him
lift me to the sky
I could hear the voice that saved my life

I'm a warrior, take my hand!
let me lead you to the promised land
I'm a warrior, take my hand!
I'm a soldier under his command

(solo)

am I dreaming
I don't believe it
am I wrong or right
then I heard a voice say in the night

I'm a warrior, take my hand!
let me lead you to the promised land
I'm a warrior, take my hand!
I'm a soldier under his command

I'm a warrior
take my hand!
