A shake is coming  
Not leaving one brick in full form  
Waves of terror are foreseen

Before your eyes  
Great monuments all lay Rubbled  
The dust has not yet settled  
Condemned

Your end is now getting closer  
Your lips tremble like the earth

Eyes water in solitude  
You  
Cry

You  
Live  
You  
Die  
With this world you live by  
With this world you'll die  
With this world you live by  
With this world you'll die  
With this world you live by  
With this world you'll die  
With this world you live by  
With this world you'll die  
Condemned

Last breath on earth  
To first breath in hell  
Last breath on earth  
To first breath in hell

Condemned by your deeds  
Your fate's been sealed

Last breath on earth  
To first breath in hell

Condemned by your deeds

Your fate's been sealed  
Condemned

Condemned

Condemned  
Condemned  
Condemned  
Condemned  
Condemned  
Condemned
