The sign of horns is 666
Swear to the lord in 666

The prophecy of unborn child
Heir of throne the antichrist
Time will come and blood will rain
Forward to the sacrifice
Light shall break in your eyes
Altar awaits your blood runs fuckin' slow
Your god is dead

Hatespawn

Submit to death
My mission comes to an end
The prophecy of unborn child
Heir of throne the antichrist
Altar awaits the elements of anger awake

Spawned by evil and hate

Hatespawn
I swear my oath by the angel of light
My allegiance to the kingdom of darkness
To sign the contract in blood

Hatespawn
And so I send my spiritual existence
Sacriligious baptism and blessed damnation
And eternally I walk upon the left hand path

The sign of horns is 666
Swear to the lord in 666
