Loving God  
How could you take  
The only thing I felt my love for  
Where was your love  
Where was your comfort  
That I spoke of  
In this world ran by the enemy  
Which lead me to think you to be the first to damn  
My lack of faith  
And trust left me in a hole of unbelief  
Forgive me

She will remain within our hearts forever  
On this earth when flesh dies our souls will reunite  
She spoke to me of who you are  
And how your love could never separate us

And how you did things only for good and casted out  
all that is bad  
And how you did things only for good and casted out  
all that is bad  
Forgive me mother for my doubt  
My holy father will cast him out  
Again  
Again

Come  
Back  
Jesus  
Cast  
Out  
Satan  
Come  
Back  
Jesus  
Cast  
Out  
Satan  
Again  
A-men

Thank you for this loss

Thank you for your blood  
Thank you for the 16 years of life with her  
And for the everlasting joy  
I'll have when  
You come back and save  
Us from this hell  
Come back father God of life  
Enrich us with your wealth
