An Act of Darkness

The Art of Sacrifice

Sit down my Son

I'll tell you from the Other Side

Run through the Darkness

Bloodred Kind of Misery

I - Blasphemous Spirit

On a Sphere of Profanity

Stigma, Stigma - Signum of Hate

Stigma, Stigma - Sign of Disgrace

Stigma, Stigma - Trance & Terror

Stigma, Stigma - Signum of Hate

The Euphony of excruciating Pain

Execution by the Way of Nazarene

My Fate is still alive

I evoke the Scars - So bleed for me

My Journey is a Mission in Blood

The Opposition of a sickly God

I'm the Crown of Thorns deep in your Brain

"Torturemaster" is my second Name
