True freedom deep within, this agony is not a sin.  
Inside these walls I'm captured in.  
Blood dripping through my eyes, my life carries so  
many lies.  
Thou shall fall, who shall rise.

If you see how these chains I have, make me feel like I  
was born to die.  
If you hear my voice screaming out loud, please come  
save me before it's too late.

This soul is never sold, I keep only the trust of my own.  
My soul, my cell, I'm a prisoner in myself.  
Tonight oh, my lord so, I would like to flee from me.  
This isn't real! Take this pain away!
