I wonder how winter will be  
with a spring that I shall never see  
I wonder how night will be  
with a day that I shall never see  
I wonder how life will be  
with a light I shall never see  
I wonder how life will be  
with a pain that lasts eternally

In every night there's a different black  
in every night I wish that I was back  
to the time when I rode  
through the forests of old  
In every winter there's a different cold  
in every winter I feel so old  
so very old as the night  
so very old as the dreadful cold

I wonder how life will be  
with a death that I shall never see  
I wonder why life must be  
a life that lasts eternally  
I wonder how life will be  
with a death that I shall never see  
I wonder why life must be  
a life that lasts eternally
