Hey, are you out there? Can you hear my song to you?
Listen to me! 'cos this is your chances!

Come back here again! You will Find mercy again!

Do you remember your life as a human? Do you
remember your fiction dreams?
Can you remember all that is wrong? Are you insane, or
in dope?

Have you ever seen a dead man walk? have you ever
seen a whore that talks?
Can you feel this lifeless love? can you feel all that is
wrong?
'cos this are the days we all enjoy!

Come back here again! You will Find mercy again!
