Happy men and women follow a trail in the woods. The follow a

wagon led by a priest, towards a holy lake. Wonderful colours,

dancing happy people, the scene is nature's love.

Dancing along

are the thralls, the sacrifice to Mother Earth, this sunny day,

dancing along towards a holy lake. Hail to Mother Earth, the

thralls are shouting. Hail and joy, before they are strangled and

lowered into the lake, happy and smiling, willingly giving their

lives to strengthen nature. Such is true love, and it's strength!
