"The Vision"

Childhood Memories. A never ending scenery
Son of a witch. Is it a fantasy?

Almost rotten and dead. The eye that never sees.
A meaningful journey, finally to the land of the free!
See no evil, my mind had to escape.
Forbidden tales of valleys and lakes.
Try to forget, the pain is yours to keep!

A dead poets story! Never heard before.

Sleep tight children. Don't you think you're gonna fall?

Begging me for a new life! Your insides turn raw!
Forgotten words at the end of the hall!

A new circle has begun! A storm of clouds covers the
moon!
The man of mystery watches! Doomed to be alone!
He found the truth!!!
