You're so safe, you're in my mind  
Full for only half the time  
[x2]

What if we never meet again?  
I could breathe in my seat again  
You will find you never had enough  
Peace of mind to ever like it rough

I don't explain, you ought to know  
I can wait if you're too slow  
Now I'm playing innocent  
Saying what was always meant  
To you,

Look at you, on the scene again  
Bought it new, feeling better than  
Secondhand, second string and you're  
With the band, wear your ring and then

You can't explain, we'll never know  
I can't wait so take it slow  
Now I'm playing innocent  
Saying what was always meant  
To you,  
To you,

You're so safe, you're in my mind  
Full for only half the time  
[x2]

What's been lost and what's been done  
We've had our fights and had our fun  
A brand-new suit to put upon  
A pin, a tie, a vagabond  
With you,  
With you,

You're so safe, you're in my mind  
Full for only half the time  
[x4]

To you,  
Saying what was always meant to you,  
[repeat]
