Heads that turn won't stay put
Beauty unto it's own
Stumbled dance, a gunshot foot
Beauty unto it's own
Loose neck grip is tightly fit
Beauty unto it's own
Pistol poor and pistol whipped
Beauty unto it's own
I'm a big boy, I'm a big star
What's a decoy, what's a guitar
Chewing gum, sucking thumb
Beauty unto it's own
Left bank highs an eastside run
Beauty unto it's own
I'm a big boy, I'm a big star
Oh to destroy what's done so far
I'd cry for you if you would too
Beauty unto it's own
Sad is bad when sad is good
