A boy and his guitar  
A borrowed coat and tie  
No smoking in the house  
Radio the bar  
Oh the possibility  
Of us making history  
And I want to stay close  
Singing in the round  
The taming of the crew  
Not a thing to wear  
To the only game in town  
Let the captain choose the teams  
I'm not as worried as I seem  
And I want to stay close  
So that nobody knows  
Oh the possibility  
Of us making history  
Let the captain choose the teams  
I'm not as worried as I seem  
And I want to stay close  
So that nobody knows
