Gettin' to you seems impossible
Who, who is the busiest one of us all?
Too many songs we sang are left unsung
Another dream unwritten, the record's done

All the cities and all we're looking for
Tomorrow there will be so, so, so many more
And you know that I call you my best friend
It's gonna be me and you 'til the very end

An invitation
Within without
An education
Worn inside out

1, 2, 3 it means so much to me
Wouldn't trade it for less or anything
Now a different beat on a different drum
Me for you and for me you're the only one

An invitation
Within without
An education
Worn inside out

Left the room, a sound's not heard
You're gone without goodbye
Neighbors knocking, car's not stopping
Now your tears are dry

A matted photo, you grow older
Still you're just the same

It's you, it's you
Not one but two
It's you, it's you
We're back from where we came

Make a plan, a list of things to do
I can't remember, was it me or was it you?
All the things I think I left unsaid

Say them again and again because you're my friend

An invitation
Within without
An education
Worn inside out

(It's you, it's you
Not one but two
It's you, it's you
We're back from where we came)
An invitation
Within without
An education
Worn inside out
