Pumped up pecs and sticky skin  
Floors unswept and walls are thin  
Were you the last to know?  
Were you the last to go?

Steroids in the cabinet  
A trophy wife with benefits  
Were you the last to know?  
Were you the last to go?

Seat belt trumps the booster seat  
Bigger than you used to be  
Were you the last to know?  
Were you the last to go?

The baby pacified  
The sailor crucified  
The kissing glorified  
The mother horrified  
Were you the last to know?  
Were you the last to go?

You set the trap and locked your phone  
Then we became a palindrome  
Were you the last to know?  
Were you the last to go?

A festival of paper shreds  
A bed for two is not a bed  
Were you the last to know?  
Were you the last to go?

The baby pacified  
The sailor crucified  
The kissing glorified  
The mother horrified  
Were you the last to know?  
Were you the last to go?

Applaud a pessimist  
You putting up a fist

Employ a nihilist  
While teaching you to kiss  
Were you the last to know?  
Were you the last to go?

Based on what I found out, it's a lie  
Based on what we both know, it's goodbye  
Money money money money sigh

The music's stopped and I can't sing  
But I can get through anything  
Were you the last to know?  
Were you the last to go?
