I am the million dollar man  
will somebody catch me while you can?  
I'm not afraid to be alone  
all I need is water and a bone  
why don't you sink your teeth right in  
the story of the hopeful next of kin  
and you will want to ride with me  
'cause I'm good company

I am the million dollar man  
will somebody touch me while you can?  
apply powder to my face  
anything you see can be replaced  
you can be my only heir  
if you're not happy with my hair  
if you pay a minor fee  
you can ride with me

I am the million dollar man  
will somebody show me where to stand?  
I'm not afraid to be alone  
all I need is water and a phone  
I am only half a man  
I have only half a plan  
if you want to ride with me  
I'll keep you company

can I have a show of hands  
to know how much I'm in demand  
I will always be on time  
I am yours I am not mine  
I am the million dollar man  
will somebody touch me while you can  
I am only here to please  
I'll be on my knees

I'm the second in command  
I'm the freshest ever canned  
be there on my wedding day  
then I'll have to run away

I am the million dollar man

somebody catch me while you can  
now it's time to cop a plea  
I will cut down every tree  
yeah
