I don't mind looking at you
Your hair sticks straight up
Well this spray can
Is my favorite vonnegut to william hell
I don't want to be happy
I wanna mess around
But these drugs have made me sappy
I do love feeling down
I can't even cry
I can't even try
Your teeth are sublime
So take me i'm mine
Let's stop and order pancakes
Don't mind sitting down
If i can't take it to yesterday
It's a new day all confound
I don't know why you alchemists
All spin around yourselves
Make fool's gold out of increments
I don't chew what you sell
I can't even cry i can't even try
Your teeth are sublime
So take me i'm mine
