(you're one you're one) it's with you i wanna be  
(you're one you're one) peace and love and empathy  
(you're one you're one) tie me off i wanna be  
(you're one you're one) shooting up the enemy  
Shooting up the enemy yeah  
We played a show and no one came  
We played and played it just the same  
If there's no ears then there's no sound  
If there's no tree then there's no ground  
(you're one you're one) it's with you i wanna be  
(you're one you're one) peace and love and empathy  
(you're one you're one) tie me off i wanna be  
(you're one you're one) shooting up the enemy  
Shooting up the enemy yeah  
That crown of thorns you wear it well  
You bought it cheap it's time to sell  
You say you're sick from altitude  
A crown's a crown what can you do?  
You take it like a man boy  
You take it like a man boy...  
(you're one you're one) it's with you i wanna be  
(you're one you're one) peace and love and empathy  
(you're one you're one) tie me off i wanna be  
(you're one you're one) shooting up the enemy  
Shooting up the enemy yeah  
I'd pump your stomach if i thought  
It'd stop the pain your doctor bought  
Forever now forever then  
Ignore the flower feed the stem  
You take it like a man boy  
You take it like a man boy...  
You kiss me like a man boy  
You kiss me like a man boy...
