Seasons come and seasons go
But still the world she be turnin'
I often stop and wonder
How long will God
Keep the fire burnin'
Sometimes it seems the world's gone mad
But I know there's hope for our children
'Cause Jesus told us what to do
And I know now's not the time to give in

Long as we have breath
Let's keep pushing
Fighting to the death
Stop at nothing
His never ending flame
Keep it burning Ooh
Long as the big ball
Long as the big ball is turning

Time to feed the hungry heart
That's never tasted compassion
It's the time to spread the word
Hey there's a love that is everlasting
Yellow line down an upon road
Don't say where she's going
Still we follow just the same
Oh, there is hope of a new horizon

Long as we have breath
Let's keep pushing
Fighting to the death
Stop at nothing
His never ending flame
Keep it burning Ooh
Long as the big ball
Long as the big ball is turning

Round and round and round it goes
But God is in control
He knows just where we're going
Yes the future's in His hands

I don't know when we will land
Oh no
But I'll keep right on trusting in the Master's plan

Long as we have breath
Let's keep pushing
Fighting to the death
Stop at nothing
His never ending flame
Keep it burning Ooh
Long as the big ball
Long as the big ball is turning
