Atlantis  
The dolphins,  
The sea,  
The love,  
Atlantis....  
Atlantis  
Feeling waterfalls,  
Coming down on me.  
Love is the way,  
So deep and free  
Its a waterfall,  
Your love to me.  
Back to this world,  
Deep like the see.  
Atlantis  
The dolphins,  
The sea,  
The love.  
Atlantis  
The dolphins,  
The sea,  
The love.  
Atlantis  
Atlantis  
Feeling waterfalls,  
Coming down on me.  
Love is the way,  
So deep and free.  
Its a waterfall,  
Your love to me.  
Back to this world,  
Deep like the sea.  
Its a waterfall.  
Your love to me.  
Deep like the see.  
Come down on me.  
Love is the way.  
So deep and free.  
Atlantis
