"COLD TURKEY"

The temerature is rising
The fever is high
I can't see no future
I can't see no sky

My feet are so heavy
And so is my head
I wish I was a baby
I wish I was dead

Cold turkey
Has got me
On the run

My body is aching
With booze in my bones
I can't see no body
So leave me alone

My eyes are wide open
I can't get no sleep
But the one thing I'm sure of
I'm in for the deep freeze

Cold turkey
Has got me
On the run

36 hours
I'm rolling in pain
I'm praying inside me
Free me again

Oh I'll be a good boy
Please make me well
I promise you anything
Get me out of this hell

Cold turkey
Has got me
On the run
