Quo vadis  
Quo vadis  
Ah ah ah ah

Yeah yeah

I've got to know the way  
I've got a price to pay  
I've got to know the way tonight  
I've to take control  
I've got to search my soul  
I've got to make this right tonight

Break this beat  
Break this beat  
Break this beat  
Dance off your feet  
Break this beat  
Break this beat  
Break this beat  
Dance off your feet

Yeah yeah

Quo vadis  
Ah ah ah ah
