The night is magic, really magic  
The night is magic baby  
The night is magic, come on get ready for my love  
The night is magic, really magic  
The night is magic baby  
The night is magic, come on get ready for my love

Na na na na na na na na na  
Na na na na na na na na na

The night is magic, really magic  
The night is magic baby  
The night is magic, come on get ready for my love

Magic, magic

Tonight the stars will shine for me baby  
Tonight your love will set me free
