Welcome
To my new earth
You have worshiped me forever
Now witness
Doom after wrath

Fear me
I am you
I am a reflection of your worthless soul
Close your eyes
I will not
Nothing can stop this
Fate

Awake
To our new hell
This is the end
Bear witness
Come with me

Fear me
I am you
I am a reflection of your worthless soul
Close your eyes
I will not
Nothing can stop this
Fate

Fear me
I was invited in
Fear
Brought me to your door
Close your eyes
There is nothing to see
As I shall
Destroy your earth

Welcome
To my new earth
