His eyes  
They are glowing with hate  
You can not see  
Afraid are eyes  
I can not  
Show you how you lost  
Now

Future is his  
And you are all mine  
And it is yours  
Your god did look  
Born indeliberate  
And you will all die  
As I become  
Once Future

His eyes  
They are glowing with hate  
You can not see  
Frayed are eyes  
I can not  
Show you how you lost  
Now

Future is his  
And you are all mine  
And it is yours  
Your god did look  
Born indeliberate  
And you will all die  
As I become  
Once future

His eyes  
They are detached  
His skull  
Separated  
And I  
Interface

This glory

Now these things  
Man hated  
Have been replaced  
And we shall witness  
Something that we will be

Once
