His nose is drippy, his hair is nappy.
His teeth are yellow, his skin is scappy
His ass is so smelly it'll clear out any moshing pit
His tongue is nasty, his dick is green.
His lips are chapped, his breath is obscene
You could squeeze his pus-filled face
And pop it like an ugly zit!
He walks around town, you can smell his feet
Flies buzz around his head as he walks down your
street.
The children run and hide to
The safety of their daddy's arms
He comes to your door with his decayed grin
You wonder where the hell that mouth of his has been
Should you slam the door?
Or should you let him in?
You run and hide but you can't hide
The Scabby Man comes inside
He picks his nose and eats his snot
And then he eats up all your pot
He pukes on you, he kicks your dog
He's a fucking smelly hog
He farts a lot, he rapes your wife
You cut a fart and he licks the knife...
You think it's over but it's not over yet!
The Scabby Man is leaking pus, he's fucking gross, you
bet!
He jacks off and shoots his cum on your two-month-old
son!
The horror's not over much to your dismay
You're the Scabby Man's victim, on this very day,
And he's invited his friends
To come over for the whole weekend!
