Battles, raging ferocious  
Slaughters, cruel and cold  
Decapitation of false messiahs  
Ceremonial fornication  
Of the virgin mother whore  
Spit semen upon her face!

Throughout aeons, we destroy their fucking cross  
Kingdom of weakest power  
We defecate your christian faith  
Dismantling the heavens  
Deadly blessings of bestial fire  
Abominate, fornicate, desecrate!

Commandment of highest order  
Impurest blasphemies blast the heavens  
Cremains raining down from hellfernal skies!  
Chained to tarnished altars of gold  
Spread wide succulent nunwhores  
Commence the necro orgasmic ritual  
Slit their throats upon their sexual climax

Sowing a thousand imperial seeds of abomination  
Fertilized headless whores  
Each engraved in steel cocoons  
Watch the birth of fierce proud infernal demons  
Hail the birth of fierce proud infernal legions

We promised you nothing but a whirlwind of hateful  
death!  
We promised you nothing but a maelstrom of blackest  
death!  
We promised you nothing but to slay your god and  
detonate  
We promised you nothing but to krush your soul and  
desecrate!

Raise up your atomic weapons  
And aim sky high  
Sodomizing the heavens  
Over time  
Endless

Abominate!  
Fornicate!  
Desecrate!  
Kingdom of weakest power
