Chaos enthroned
Atomic wrath explodes with power
Holocaust inferno
Radiates the sunless nether

Diabolical eruption
Flames of napalm engulf horizons
Damnation eternal
This curse made final!

Majestic Azzazzel
Master of Satanic battle supremacy
Exalted for ten thousand eternities!
Behold the unchallenged
Fury of, thy relentless atomic wrath
Majestic Azzazzel...

Coronated beast
Overlord bastard exhaling fire
Burning the heavens
Blazing all souls

Emperial tyrant
Ripping the flesh of dying gods
Bringer of kaos
Thermo-nuklear bliss

Armies and battalions of demons
Attack and destroy all sacred
Pride, so sacrilegious and hateful
Of apokalyptik demonic fury

Almighty hailz o' bapholord

Triggering the kaos kommand
Hell's battles under the claw
Obeying, serving, fighting
Eternal impious necro combat!

Unleashed upon god's flock of innocent dying pigs
Unveil our master's wrath
Nuklear winds convey their blessed death and foul

defeat
Behold our master's wrath

Diabolical eruption
Flames of napalm engulf horizons
Damnation eternal
This curse made final!

Almighty hailz o' bapholord
Unleash your atomic wrath!
