Lords of the ancient live tell
Prevalance of a supreme horde
Vicious snarling goatdemonz
Of 8foot jet black steel horns
With razor sharp serpentlike tails
They flagellate and lash
Brutallity vomiting the heavens
With black biochemical disease!

Puking upon
The ugly face
Of your god
Puking upon
The holy face
Of swines to die
Spewing forth
Black semen
Viral pus and blood
Regurgitate
Lethal seeds of hate
Spill to kill
Bestial genocidal
Goatfuckingvomit
Bestial genocidal
Goatfuckingvomit

Bathoric vomit attack
World of jesus decaying
Spreading the pestilence
Evil outbreak of disease
Forever!

Acidic thunderous vomitstorms
Goatdemons borne on crooked wings
Flood realms of frost and fire
And unto all of those
Trapped in this rain of puke
Deteriorot your corroding carrion!
