I can see demons, infernal legions
Storming attack, upon christianity
We are the reason, death is in season
Krushing the swines who hail this whore
Kaos infernal, kaos eternal
Detonating god and demolish the heavens
Aiming directly, hitting perfectly
Blowing up the head of christ!

Wardemons celebrate blasphemy
Spawn endless procreate
Raped jehovah in death's victory
Assemble, launch and krush
Kaos: the hellfernal kommand
Mass destruction of mankind
Emperor of battles
Worldwide extermination!

Fantastic lie
Christianity
Ancient joke
Holy trinity
A blessed hell
Heaven
Flock of god
All must die!

Scorching, our master's vengeance
Excruciating hellish atomic death
Revelation
Consecrate, exalted luciferian empires
Adoration
Resurrect, volcanic strength the elders shared

Hellfuck, tenacious beasts yield the claw
Tenacious beasts enthrust the claw
Jesus christ..
We denounce all your rights to exist
Shameless lies
Jesus christ..
All must die!

I can see demons, infernal legions
Storming attack, upon christianity
We are the reason, death is in season
Krushing the swines who hail this whore
Kaos: the hellfernal kommand
Kaos: the hellfernal kommand
Evoke goatwar power
Regimental fury
Steelshredding hatred
Pure vulgar Satanic terror
Incinerate glorious
Filthy jewish cunts
I give kommand for eternal world genocide!
