"Sodomythical Frostgoats"

Visit "[Sodomythical Frostgoats](#)" on MotoLyrics.com

Blessed by goatfucks, hellcantating sodomies
Malevolent blasphemies
Empire of serigalas dei-glorified, blood froze - time
forgot
Told once by ancient knights gatherings of ever-royal
Frostgoats!

Cunting evil, cunting reichs
They rule vast kingdoms with supreme might
Blackbattles fought victoriously
From the frost forgotten plains of Gahl Rahm
They rise!

Satanique damnation
Sabbatic frostgoats
Blessed dark devilry
Sabbatic frostgoats
Ride!

Shaktikal liberty
Thy blackness immortality shields the light
Kings of pandaemonic bifrost
Let the legendary sodomyths arise
They rise!

Martyred souls hail these pagan lords
Accursement
Denial of celestial fame
In aeternum...
Funeralight - abyssic hellparadise
Tyrannous goats, hell's infidel victors
Ride!
