Wage war!
Legionized
Battalions forged in blackest hate
The casting of demonic baphospells
Sodomized
By the warlords of blackest death!

Bestial cruelty and wrath unfolds, the sign for the kill
has arrived
Legions march and storm with fury, the law of the saw
a sworn allegiance
Under shrouds of smoldering blasphemy, wardemons
sound their charge
From horn to horn and razor jawss, they feast proud on
the enemies demise
Satanized... satanized
Demonized...

An undertaken oath for a triumph of hate, a triumph of
death
Tyrannized
Erupted vengeance
Purged from hell!
Grimmest wars we'll fight to our deaths
As long as the cunts alive
Conquerors of fire and power
Arise!
Undamning purity
Butchering the flock of christ
Malevolent exterminators
Arise!

Wardaemonic overkill
The carnage has long begun
Wardaemonic overkill
Creators of hate shall triumph
Ravaged by jagged blades of steel
Revenge an art so fine
Hacking, carving, slaying at will
Diseased carrions are mine
An endless heinous massacre
Baptizing horizons in blood

Sempiternal blissful onslaught
In hatred I abhorrently smile

Eradicate the enemy, take aim and commence.. strike
Weapons of blasphemous combat, engage in eternal
fight
Horned sentinals of Satan celebrate immolation rites
by night
Bring on the kaos, embrace all hatred with might
Imminent call for decimation
Slaughterous
Cruel visions of death... by power!
