"Holy son please save us all  
Rise up and do not fall  
Brought from the light to rule the earth  
Burning angel screaming since birth  
No use to fight the strongest will  
Tempting powers from the dark side

Burn the cross!  
Break the chains that hold you down  
Burn the cross!  
To set you free, to free your will  
Burn the cross!  
Light the night!  
Burn the cross!  
Burn the cross forevermore  
Burn the cross!  
To complete the ultimate dream  
Burn the cross!  
Let it show who rules the earth  
Burn the cross: burn it all!

"Holy son I'll show you the way  
Tomorrow's not yesterday"  
Rejecting the creed, denying the faith  
From the light towards the dark side  
To burn the church, to burn the cross  
Son of light, but ruler of darkness

Burn the cross!...

From the light, to rule the earth  
Their own Christ was meant to serve  
But the sacred dominion shall never come

Rise!  
It is your turn!  
Their belief you have to burn  
The holy son Messiah has fallen down  
Their precious son shall burn the cross

Burn the cross!...  
Burn it!

Crush it!  
Let's destroy it all!
