Held on to yesterday so hard  
Can't keep the promise of tomorrow

Hey, you kids!  
Turn up the stereo  
Can't catch this on the radio  
Mad kids  
Rock solid audio  
Come out bustin' with our everlastin' overflow

We can't stand standing side by side  
We all fall down when we divide

Rock kids  
Time to testify  
At the drive in kickin' asses to Les Savy Fav  
Full stacked  
Phil Spector sound  
Forget the format  
Stop the format  
Start the round and round

We can't stand standing side by side  
We all fall down when we divide

We can't stand standing side by side  
We all fall down when we divide

Hey, you kids!  
Turn up the stereo  
If you catch this on the radio  
Full stacked  
Phil Spector sound  
Get the format  
Fuck the format  
Start the round and round

We can't stand standing side by side  
We all fall down when we divide

We can't stand standing side by side

We all fall down when we divide

Held on to yesterday so hard  
(Let it go, let it go)  
Can't keep the promise of tomorrow  
(Let it go, let it go)
