"Killing marks just turn me on  
While I hunt it feeds my soul  
When spilling blood I'm always cold"  
The hitman shows no mercy!  
"Say hello to my little friend  
He'll put a bullet right through your head"  
The mark is set and there's no escape  
It's time for termination

"You'll be found before you know  
When I aim there is nowhere to go  
The mark is set there's no escape  
When I pull the trigger you'll be gone  
A single blast will bring you down  
Murder's my salvation  
I'm the killer  
I'm the hitman  
Erasing one by one"

"Pray your prayer now  
As my feast has begun"  
Seek to kill, kill for bliss  
There will be no tomorrow  
Execute  
Assassinate  
Silver bullets will show the way  
"Do not hid, it's far too late  
Face your execution"

"You'll be found before you know  
When I aim there is nowhere to go  
The mark is set there's no escape  
When I pull the trigger you'll be gone  
A single blast will bring you down  
Murder's my salvation  
I'm the killer  
I'm the hitman  
Erasing one by one"

"Pray your prayer now  
As my feast has begun"  
The mark is set there's no escape

The hitman knows no sorrow!  
"Say hello to my little friend  
He'll put a bullet right through your fucking head  
Pray, so pray again  
It's time for termination"

"You'll be found before you know:"
