to whom it may be of any concern:
i forget this lesson each time that its' learned, this
argument
that i try to defend, it's not logic, it's a means to an
end, it's
a fiendish ploy, like you mean me no harm. it's so
misconceived...
but it works like a charm. if my fingers clench too
tightly, it's
because i'm afraid i'll lose my grip. if i think about you
nightly
it's because i'm afraid i might forget.
excuse my mess as i pitch this fit, it bothers me more
than i
can admit...my face goes flush my head starts to ache.

i think this may be my biggest mistake...
