Time to turn
Outside in
Fall breaks down
To begin again

Shivering hands
Cannot hold
Longing can not keep us from the cold
We teach ourselves to live
without the things we want
Son, we never give up

And you take
Half my heart
For a part
Yours to tear apart
And you take
Half my heart
For a part yours

Taking turns
Deconstruct
Recreate
Redesign
Recorrupt

Shivering hands
Cannot hold
Longing can not keep us from the cold

We teach ourselves
To live without the things we want
Son, we never give up.

And you take
Half my heart
For a part
Yours to tear apart
And you take
Half my heart
For a part

Yours
