Well I don't know where I'm going  
And I'm not sure where I've been  
And I don't really feel like going outside  
But I don't feel like staying in  
The feelings I have and the words I say  
Just aren't too clear to me  
Why do I feel like I'm trapped inside  
What do you want from me  
Well I don't really feel like getting drunk  
But I'd really like beer  
And I really don't have too much to say  
But I'm really glad you're here

Theres frustration inside I don't know why  
Theres no reason I can see  
No matter how I try I can't hold it in  
But I just can't let go  
Theres just no use in fighting it  
I wouldn't know what to do  
Might as well watch Sanford and Son  
And pound another beer  
I appreciate the fact you took the time out  
I guess it's just no use  
If I can't help myself no one else can  
I guess I'll be okay
